

King Isbit Wants **YOU!**

The MN Sn'Ice Construction Crew is recruiting volunteers for the 2020 Ice Palace project. We need volunteers for the Ice Harvest in mid-January and the Palace Construction mid-January-February 5th.

Volunteers should have construction experience and be able to lift, pull, push and be on your feet for extended periods of time in winter conditions.

Bring your skills, teamwork, and creativity as we build an amazing spectacle for the community!

If you think snow and ice are Sn'Ice...
then King Isbit wants YOU to help build
his royal courtyard in 2020!

218-847-2938 or volunteer@iceharvestdl.org
